CG Docket No. 06-181  
Petition for Closed Captioning Exemption  
Dismissal of Petition

Dear A.G. Te Slaa:

By this letter, we are advising you of the current status of your above-referenced petition for exemption from the Federal Communications Commission's (FCC's) closed captioning rules. On September 27, 2013, the Consumer and Governmental Affairs Bureau (the Bureau) advised you by letter that, absent further action on your part by October 28, 2013, the petition would be dismissed.

We received written notice from you on November 6, 2013, that you request to withdraw your petition for exemption from our closed captioning requirements effective May 1, 2014. Based on your alleged ability to become compliant with our captioning rules by implementing equipment improvements and the amount of employee training necessary, your petition has been granted a temporary exemption from our captioning rules. Your request to withdraw your petition is effective and will be dismissed without prejudice on May 1, 2014.

We remind you that, as also noted in the Bureau's letter, you must comply with the FCC's closed captioning requirements contained in Part 79 of the FCC's rules with regard to the programming that was the subject of your petition on May 1, 2014.

If you have questions pertaining to this letter, please contact the FCC's Disability Rights Office at [captioningexemption@fcc.gov](mailto:captioningexemption@fcc.gov).
